The Closing Quotations

DON'T WAIT TOO LONG. At the first sign of Backache or pain in the region of the Kidneys, or weakness and Urinary

trouble, the following simple prescription should be used. Fluid Extract Danuelion, onehalf ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal

and at bedtime Any good prescription pharmacy will supply these three in gredients at small cost, which can easily be mixed by shaking well in a bottle. This is said to force the Kidneys to filter the sour acids and poisons from the blood, overcoming the worst cases of Rheumatism.
